Thanksgiving Dinner following morning worship.

**PICTURE DAY.** Come prepared this Sunday to take a pictures. There will be a studio set up in one of the classrooms. We really, really need your pictures to create a church album We always say, "Our church is a family," and every family needs a photo album. Don't be shy!

**Giving Thanks.** Martin Luther, in his book

*Table Talk*, wrote "We give thanks in reverse proportion to the amount of blessings we've received." A hungry man is probably more thankful for a piece of bread than a rich man for his table that is spread with all the best food. A lonely woman in a nursing home might appreciate a visit more than your or I would a lavish party thrown in our honor. Someone who's lived in spiritual darkness without the Scriptures is probably more thankful for the Bible than we are for all the Bibles, Christian books and magazines that overflow our shelves. Emerson once observed that if the stars appeared only once in a thousand years, imagine what an exciting event it would be! One of the evidences of the Holy Spirit's work in our lives is a change in this reverse pattern. God wants to make us a people who give thanks in proper porportion to the gifts we have received.

LaJuana and I want to say a very special thanks to all of our Tundra Church Family. It is a joy to serve you. You encourage us in so many ways--your faithfulness, generosity and warmth. As I have said on many occasions, "We're not perfect but we do need to be growing" and always striving to be that caring congregation where people matter, both saints and

sinners, and lives are transformed by Jesus Christ and the Word of God. Also, we

say special thanks for honoring us on Pastor Appreciation Day a couple of weeks ago. Your cards, personal notes, and generous offerings were a very timely encouragement and inspiration to us. Happy Thanksgiving!
